Mayflower Walk with Godfrey Collyer (See Southampton Guide)

Friday 8th October 2021, 11.00am to 12.30pm

In late July 1620 the ship **Mayflower** arrived in Southampton with passengers who planned to sail across the Atlantic and start new lives in the New World. Among the group were religious Separatists fleeing from persecution, while others were settlers seeking new opportunities. They were joined by the **Speedwell** with a party from Leiden, Holland and the ships spent two weeks in the port preparing for the voyage. In the 401st anniversary year of their voyage this walk will tell the story of their time in Southampton and visit some buildings and sites from that time.
